LB 755

even know...I didn't know that women were pilots during World War II, but there were some that actually were training...trainers of pilots in World War II. So I'd urge the adoption of the committee amendment and the adoption of the bill. Thank you. I think it's a tribute to all women. Thank you.

SENATOR CROSBY: Thank you, Senator Robinson. Discussion on the committee amendments. Senator Bromm.

SENATOR BROMM: Thank you, Madam President. I just want to rise very, very briefly in support of the bill. I thank Senator Peterson for bringing the bill that she did and for eloquently supporting the cause. As Senator Robinson had indicated, Senator Hilgert and myself had each introduced a bill to do the same thing, only in different amounts of money, none of us probably knowing that each other had a bill in the hopper. But appreciate what the committee has done to bring this bill out. It's very, very appropriate. I think it's something that we should definitely do. And I'm just glad that it's on consent calendar and has a chance of going through before the dedication of the memorial this fall. Thank you.

SENATOR CROSBY: Thank you, Senator Bromm. Senator Stuhr.

SENATOR STUHR: Thank you, Madam Chairman and members of the body. I rise in support of the committee amendments and also of the bill. As Senator Robinson stated, we heard some wonderful stories from many women that served in the armed forces. And I really think that this would be a wonderful tribute for all that they gave and sacrificed during wartime and actually since. So, I rise in support. Thank you.

SENATOR CROSBY: Thank you, Senator Stuhr. Any further discussion on the committee amendments? Seeing none, Senator Robinson, did you have a closing on the committee amendments? He waives closing. The question is the adoption of the committee amendments to LB 755. All in favor vote aye, opposed no. Record, please.

ASSISTANT CLERK: 27 ayes, 0 nays on the adoption of committee amendments, Madam President.
